

News Release

Ivrnet Confirms Terms of its \$1,500,000 Private Placement Offering

Calgary, Alberta, (October 2, 2019) - Ivrnet Inc. (TSX.V: IVI) (“Ivrnet”) is pleased to confirm the terms of its previously announcing private placement offering. Ivrnet intends to distribute up to 60,000,000 common shares (the “Offered Shares”) at a price of \$0.025 per Offered Share for gross proceeds of up to \$1,500,000 (the “Offering”). The Offering is available to accredited investors. It is also open to participation by existing shareholders (that portion of the Offering referred to herein as the “Existing Shareholder Offering”) resident in Canada (except Newfoundland and Labrador) as of the record date of **September 12, 2019** (the “Record Date”) until **October 31, 2019** (the “Expiry Date”). Subject to the clarification that the purchase price for all subscribers, whether they are accredited investors or existing shareholders, is \$0.025 per share, for further details on the Offering please see Ivrnet’s news releases dated September 13, 2019 and September 26, 2019 available under Ivrnet’s SEDAR profile at www.sedar.com.

Shareholders interested in participating in the Existing Shareholder Offering should contact, or have their registered broker contact, Jason Myers, Chief Financial Officer of Ivrnet, at j.myers@ivrnet.com, to obtain a copy of the subscription agreement for existing shareholders. Requests should be received by no later than **October 25, 2019** so that subscription agreements can be signed and funds can be received by Ivrnet by no later than **October 29, 2019**.

Closings of the Offering are subject to receipt of subscription agreements from suitable investors and receipt of TSX Venture Exchange approval.

About Ivrnet

Ivrnet is a software and communications company that develops, hosts, sells and supports value added business automation software. Our products and services are delivered through the traditional phone network and the Internet. These applications facilitate automated interaction through personalized communication between people; mass communication for disseminating information to thousands of people concurrently and personalized communication between people and automated systems. Forward-looking Information

Certain statements in this news release, other than statements of historical fact, are forward-looking information that involves various risks and uncertainties. Such statements relating to, among other things, Ivrrnet's intention to complete a private placement of Offered Shares to raise up to \$1,500,000, are forward-looking and are necessarily subject to risks and uncertainties, some of which are significant in scope and nature. There is no assurance that Ivrrnet will be able to raise any funds pursuant to the Offering. Further, there is no assurance that Ivrrnet will be able to satisfy any conditions to closings of the Offering that may arise, including receipt of any required regulatory approvals. These uncertainties may cause actual results to differ from information contained herein. There can be no assurance that such statements will prove to be accurate. Actual results and future events could differ materially from those anticipated in such statements. These and all subsequent written and oral forward-looking statements are based on the estimates and opinions of the management on the dates they are made and expressly qualified in their entirety by this notice. Ivrrnet assumes no obligation to update forward-looking statements should circumstances or management's estimates or opinions change
