

**PROGRAMS AND
EVENTS
MANAGEMENT**

- Enables users to register online for programs and events and pay fees online, view and manage upcoming program and event details
- Links all purchases to individual user accounts and adjusts pricing based on membership privileges
- Automatically reserves the facility calendar, eliminating double-booking
- Public calendar showing program dates, times, and location
- Collects valuable event specific registrant information
- Tracks achievement levels
- Real-time participation statistics for administrators
- Includes registered users, waitlisted users and support staff
- Qualify registrants based on using demographic and/or pre-requisite restrictions
- Program attendance reports
- Bulk emails can be sent to class participants or individual members

- Export applicable aggregate data and granular reports along with financial information
- The Supplemental Resources module can be added to give organizations the ability to manage and allocate additional resources (e.g., tables, chairs, sound systems, etc.) that are needed for programs, events, or facility bookings
- The Certificate and Achievements module can be added to manage and allocate certificate and level achievements once programs or events have been completed/attended (e.g. NCCP Coaching Certificates, Level 5 in Swimming, Level 10 in Piano)
