

## WORK ALONE

- Reduce risks for field staff who work alone in potentially dangerous situations with SafeTeam - the ultimate staff safety solution
- Designed as a fully hosted web and phone-based program
- Real-time perspective of field staff locations as they check in and out of appointments
- Flexibility to set standard appointment times and add time to appointments as required
- Set automatic call-backs when a staff member does not check out of an appointment
- Customize and collect information from staff prior to each check-in
- Unanswered call-backs from staff will automatically trigger a defined safety procedure
- Generate reports for mileage and appointment times/duration automatically
